

H2L Homework Term 3 2012

Week No	Homework Task
Week 1	Each student is to choose a card from the choices chosen earlier. Ensure that the boys pick from the girls bag and via versa. They then complete a mind map using this topic.
Week 2	Complete a mind map with the title Carbon Footprint, students to make links with the PMI, OPV, APC, CAF, Yes No PO.
Week 3	Collect resources for Personal Project <i>Really Important as this will be used in subsequent lessons!</i>
Week 4	Write a plan detailing how they are going to organise their time when working on the personal project. Students will be given a timetable to work with.
Week 5	Explore 3 different ideas for their final presentation, these ideas can developed any way the student chooses, but must show how they relate to their theme board, mind map.
Week 6	Students to choose the final idea for their presentation and explain, in steps, how they are going to achieve this
